

RK ESG 24.1 - February 7, 2024

Last Modified on 01/30/2024 11:15 am PST

Release Date: February 7, 2024

What's new?

- This release contains security-related fixes throughout the entire RK ESG application. We've made changes to our permission set layer to ensure that the application does not expose customer data to outside threats.
-
